

Doing Business in Sub-Saharan Africa: An Overview of Legal Considerations

Speaking Engagement

International Trade Club of Chicago, Webcast

February 28, 2023

The Russian Invasion of Ukraine and the resulting disruptions on supply chains, energy supply and business on an international level appear to have signaled a seismic trade shift from the Global North away from Eurasia to other regions of the Global South such as Africa. This webcast explores why Africa has become a preferred investment destination for many multinationals, as well as the legalities and practicalities of setting up a business operation on the African continent.

Topics to be discussed include, but are not limited to:

- Why Africa has become an investment destination in recent years.
- How business practitioners can participate.
- Discussions on challenges to doing business in Africa.
- Legal considerations to doing business in Africa.
