

Drug Testing Employees in Light of the Sky-High Use of Cannabis

Speaking Engagement

Illinois Chamber of Commerce, Webcast

August 29, 2024 | 10:30 AM - 12:00 PM CT

Join Jeff Risch to learn how employers can better manage the increase use of Cannabis amongst their workforce and applicant pool. This webcast covers dealing with various drug testing scenarios (including pre-employment and reasonable suspicion testing) across many industries, including Manufacturing, Construction, Transportation and Healthcare. This 90-minute webcast helps employers maintain a safer workforce while also balancing the need to employ quality workers.
