Chicago Bar Association 2024 Mechanics Liens and Construction Claims Seminar  
December 10, 2024

Join Brooke Cieplik at the Chicago Bar Association's 2024 Mechanics Liens and Construction Claims Seminar as she presents "Due Diligence Issues." This seminar discusses mechanics liens and construction claims on both private and public projects. It provides an analysis of how to prosecute and defend such claims, and how to effectively manage such claims in arbitration.
