

Embracing AI in the Workplace

Speaking Engagement

Naperville Area Chamber of Commerce; Naperville, IL

March 20, 2025 | 11:00 AM – 1:00 PM

Discover how Artificial Intelligence (AI) and emerging technologies are transforming the modern workplace and learn strategies to adapt and thrive in this tech-driven era.

What You'll Learn:

- Navigating Compliance: Legal essentials for leveraging AI responsibly in the workplace.
- Reimagining Roles: How AI is transforming the workforce and shaping the skills of tomorrow.
- Smart Integration: Strategies to seamlessly embed AI and emerging technologies into your daily operations.
- AI with Integrity: Addressing ethical dilemmas in decision-making, privacy, and workplace dynamics.
- Driving Innovation: Proven methods for managing change and cultivating a forward-thinking organizational culture.
