

Hiring Your Competitor's Employees: Avoiding Hidden Risks

Speaking Engagement
Illinois Chamber of Commerce, Webcast
June 25, 2025

Join Jeff Risch as he explores the latest developments concerning issues involved with recruiting and hiring directly from business competitors. He will discuss and analyze legal issues involved with non-compete agreements, confidentiality and trade secrets obligations, along with non-solicitation provisions that are often involved in navigating the sometimes confusing and complex waters of hiring employees subject to certain restrictions. Jeff will also dive into the latest developments concerning the enforceability of relevant contract provisions and what employers should know and recognize in 2025 pertaining to such provisions.
