Major policy changes are underway in Washington D.C. with the change in Administration. In the first week of the Trump Administration, there have been a host of immigration-related Executive Orders along with leadership changes in federal agencies which will have an impact on manufacturers and employers across the United States. Many orders issued by the Biden Administration were rescinded.

Join Jacki Lentini and Sara Zorich for this discussion about what to do if ICE shows up at your door, how an ICE investigation is different than a typical HIS Form I-9 audit and how to prepare and be in compliance with the law.

Topics will include:

- How to Prepare for an ICE Visit with an Action Plan for warrant vs. subpoena/notice of audit
- What records and work authorization documents are covered under ICE authority
- Form I-9 compliance and potential I-9 audit fines/audit process
- Visas under Trump 2.0 (H1B, vetting and processing, employment authorization documents, etc)
- And other breaking developments
