

Legal Principles Surrounding Regulating Employee Appearance

Speaking Engagement

Lorman, Webcast

February 4, 2025 | 1:00 PM - 2:05 PM EST

Join Julie Proscia to learn how to address workplace dress and appearance, including policy considerations, challenges (including discrimination issues) and best practices. This presentation will assist those in understanding how to address existing dress and appearance policies to ensure compliance with federal and state laws, local laws and Equal Employment Opportunity Commission rules.

Learning Objectives include:

- You will be able to review types of dress codes.
- You will be able to describe legal issues.
- You will be able to identify health and safety concerns.
- You will be able to discuss freedom of speech.
