Amundsen Davis, Webcast
March 30, 2020

We hosted a complimentary webcast on Monday, March 30th for all Wisconsin businesses navigating the myriad employment hurdles stemming from the COVID-19 pandemic and the Essential Business mandates across Wisconsin. Employment Law Attorney, Laurie Meyer, held a Q&A forum addressing topics such as:

- Telework
- Furloughs
- Layoffs
- FFCRA applicability for leave
- What employers can ask of their employees related to illness and working, and
- What ought to be factored when an employee has recovered from COVID-19 and then returns to work.
