

OSHA Recordkeeping Requirements and Best Practices

Speaking Engagement

Illinois Chamber of Commerce, Webcast

March 7, 2024 | 10:30 AM CT - 12:00 PM CT

Join Matt Horn for this timely webcast that covers OSHA's recordkeeping standards and requirements, including recent updates to those standards and requirements. The presentation will provide practical, best practice tips for complying with those standards and requirements and ramifications of non-compliance, including the initiation of an OSHA inspection.
