

Breakfast Briefing Series: Prevention to Resolution: Managing Workers' Compensation Claims with the End in Mind

Event

Amundsen Davis, Webcast

October 15, 2025 | 8:30 AM CT

An unexpected workers' compensation claim has the potential to derail business operations for companies in any industry. With a myriad of sources, including OSHA, FMLA, ADA, retaliatory, and discriminatory violation claims, as well as varying laws governing employee classification and claim viability, preventing and managing workers' compensation disputes requires a proactive and strategic approach.

Join Diandra Abate and Matthew Gorski on Wednesday, October 15 for a live discussion on preventing and managing workers' compensation claims with the end in mind. Topics will include:

- Best practices for recordkeeping and fact-gathering
- Enforcing workplace safety
- Federal considerations and requirements - FMLA, ADA, OSHA, and more.
