

Questioning Strategies for Litigators: Depositions, Voir Dire, Cross-Examination, and More.

Speaking Engagement

National Business Institute (NBI); Seminar
June 2025

In the seminar, "Questioning Strategies for Litigators: Depositions, Voir Dire, Cross-Examination, and More," Michael Vescio educates litigators on questioning strategy in a three-part CLE presentation.

Part one, "Making Objections and Preparing Your Witnesses to Avoid Traps," educates attorneys on preparing witnesses for difficult questions during a trial or deposition.

Part two, "Strategically Questioning an Expert Witness," covers qualifying expert witnesses and questioning difficult or special witnesses effectively.

Lastly, part three, "Legal ethics," provides insight on ethically coaching witnesses, adhering to ABA rules and requirements, investigating and communicating with a jury, and social media and data ethics.
