

Safeguarding Health Care Employees: Strategies to Combat Workplace Violence

Speaking Engagement

Leading Age Indiana, Spring Conference 2025; Indianapolis, IN
May 2, 2025

Join Suzannah Wilson Overholt at Leading Age Indiana's Spring 2025 Conference. The two-day conference features educational sessions and networking opportunities for professionals in the long-term care and aging services field. In her presentation, "Safeguarding Health Care Employees: Strategies to Combat Workplace Violence," Suzannah will address the growing concern of workplace violence in health care settings, providing strategies for prevention and creating safer environments for employees.
