

Strategic Capital Raising: Essential Considerations and Key Insights for Boards

Speaking Engagement

Indiana Banks Association, 2024 IBA Annual Convention; French Lick, IN
September 8, 2024 - September 10, 2024

When planning a capital raise, a board must consider various factors to support liquidity, loan growth, stock redemptions, dividends, acquisitions and other opportunities. John Tanselle and Daniel Spungen's session at the 2024 IBA Annual Convention covers the different types of capital offerings, target groups, necessary steps and recommendations for the types of experts needed to ensure a successful capital raise.
