

Terminating Employees on Protected Leave

Speaking Engagement

Lorman, Webcast

October 15, 2024 | 1:00 PM - 2:05 PM EST

Join Julie Proscia, for a live webcast on navigating the nuances of employment termination during protected leave. Learn to maintain compliance with FMLA, ADA, and State sick leave requirements when managing employee absences.

Learning Objectives

- You will be able to identify which leaves are protected and the interplay between your policies and procedures.
- You will be able to review your policies for compliance.
- You will be able to discuss with your supervisors how to address leave questions and discipline employees on leave.
- You will be able to develop a termination plan that will mitigate the risk associated with a termination.
