June 6, 2024

Join Christine Anto as she co-presents a 90-minute webcast that examines the unique insurance coverage issues in trucking accident cases. The webcast dives into federally mandated minimum insurance requirements and endorsements for trucking companies, how to determine applicable insurance coverage, the impact of a truck driver's classification as an employee or an independent contractor on liability and coverage and the impact of owner-operator written lease agreements on coverage.

Topics of discussion:

- Minimum insurance requirements for motor carriers and the MCS-90 endorsement
- Different types of policies that may provide coverage in trucking injury cases
- Parties to the various insurance coverages
- Situations in which coverage may be jeopardized
