

Advises an Agribusiness Lender on Waste Disposal Revenue Bond Letters of Credit and Creditors' Rights Issues

Larry represents an agribusiness lender which is a cooperative organization of approximately 18,000 stockholders and part of the Farm Credit System. The client provides financial solutions to farmers and ranchers in Michigan and 10 counties in northeastern Wisconsin and agribusiness nationwide. Larry advises the client on waste disposal revenue bond letters of credit and creditors' rights issues in forbearance, workout, foreclosure, bankruptcy, and receivership.
