

# Represented an Agribusiness Lender in a \$27 Million Waste Disposal Revenue Bonds Project

Larry represented an agribusiness lender in a \$27 million waste disposal revenue bonds project to its borrower to construct and equip solid waste facilities at a large dairy farm in Kansas that closed July 12, 2023. The client provided a letter of credit in favor of the bond trustee, and Larry advised the client on the letter of credit and reimbursement agreement, and provided a letter of opinion of bank's counsel.
