

Served as Outside Counsel for a Market Leader of Direct Thermal Paper and Film Products in North America

Alexis Hedtke served as outside counsel for a market leader of direct thermal paper and film products in North America. The company is a world-class leader in renewable, fiber-based consumer and industrial packaging solutions. Alexis assisted this business with negotiation of various manufacturing and supplier agreements for raw materials and procurement of goods, real estate leases, commercial agreements, internal forms and policies, and construction agreements, to ensure securement of business opportunities and growth.
