

Successfully Represented a Motor Carrier Involved in an Accident Where the Claimant Made Pre-Suit Demand of \$250,000 and the Case Settled for \$25,000

Amundsen Davis represented a motor carrier that was involved in an accident where our driver swung out wide to make a right turn and a car attempted to pass him on the right. The claimant had a serious elbow injury that required surgery, racking up six figure medical bills. The claimant made a pre-suit demand of \$250,000.00. Our investigation revealed that the claimant was intoxicated at the time and admitted to driving 40 m.p.h. over the speed limit. We settled the case pre-suit for \$25,000.00.
