

Successfully Transferred Cases for a Global Services Provider from Cook County to Venues Where the Injury Occurred or Where the Plaintiff's Reside

Amundsen Davis represents a global facilities service provider where plaintiffs often engage in forum shopping and attempt to file lawsuits in the favorable venue of Cook County. We have been successful, in multiple cases, in transferring these cases to venues where they belong (where the injury occurred or where the plaintiff resides), drastically reducing the exposure value and enabling settlements favorable to the client.
