

Chicagoland Healthcare Risk Management Society Elects Moses Suarez as President-Elect for 2021-2022

May 2021

Moses Suarez, co-chair of the firm's Health Care Practice Group, was elected President – Elect by the Chicagoland Healthcare Risk Management Society (CHRMS), for 2021-2022. CHRMS, an affiliated chapter of the American Society for Healthcare Risk Management, serves to provide its members with educational, networking and professional development opportunities within health care and risk management.

Moses' practice experience includes representing hospitals, health care professionals, medical groups, and long care facilities. He also works with clients on interpretation and compliance, as well as risk reduction and crisis management. By having a clear understanding of the major pressures that health care organizations encounter, Moses is well equipped to lead the CHRMS board and help promote its mission. Congratulations to Moses and the CHRMS on this election!
