

Amundsen Davis Honors Dr. Martin Luther King Jr. With Special Firm Initiative

February 2021

This year, Amundsen Davis honored Dr. Martin Luther King Jr. and his legacy through a special firm initiative: a pledge to donate a percentage of firm revenues, generated on Dr. Martin Luther King Day, January 18, 2021, to programs supporting African American students, who are college-bound, in the communities where our offices are located. This effort is made as part of Amundsen Davis's broader goal of promoting diverse, inclusive and equitable workplaces.

As we celebrate Black History Month, Amundsen Davis is pleased to announce the recipients of this donation: Hales Franciscan High School, Chicago Housing Authority Springboard to Success and Communities in Schools of Chicago in the Chicago metro area; Boys & Girls Clubs of Greater Milwaukee; Boys Hope Girls Hope of St. Louis; and Horizons at St. Richard's Episcopal School and KIPP Indy College Prep in Indianapolis.
