

# Amundsen Davis's St. Louis Office Volunteers with Mission St. Louis at the Holidays

December 8, 2020

On December 8<sup>th</sup> members of our St. Louis office volunteered for Mission St. Louis as part of the organization's annual Affordable Christmas event. Affordable Christmas helps under-resourced parents provide a joyful Christmas for their children by offering them the opportunity to shop for items at drastically reduced prices. Volunteers helped sort toys for their online store. Our St. Louis office was also an official donation site for collecting toys for this event.
