

Amundsen Davis Welcomes Maria Dodona to Chicago Office

Firm News
September 23, 2024

We are happy to announce that Maria Dodona has joined our General Liability Service Group in our Chicago office.

Maria assists the in defending clients of all sizes, from corporations and government municipalities to professional engineering firms and small businesses. Her experience includes a variety of general and professional liability disputes, including professional negligence, breach of contract, premises liability, construction accidents, and employer tort liability.

We are excited for Maria's fast-paced and collaborative approach to client success.
