

Senior Counsel Luis A. Muñiz Joins Chicago Office

January 26, 2026

We are pleased to announce Luis Muñiz has joined the firm's Transportation & Logistics Service Group as senior counsel in our Chicago office.

With more than a decade of state and federal public service experience, Luis is recognized for his ability to build cases and arguments from the ground up and sharp legal analysis. He brings extensive experience in high-stakes prosecution and complex administrative litigation. Luis's practice centers on advising and defending diverse business entities facing civil matters, where his deep trial and prosecutorial background provides a strong foundation for effective advocacy.

Luis joins us amidst the continued growth of its transportation and logistics team, which represents individuals and businesses in the transportation industry on matters ranging from regulatory compliance and risk management to accident rapid response and insurance services.

Luis earned his J.D. from Loyola University School of Law and his B.S. from Xavier University. As a board member for the Loyola Foundation, he helps strengthen local communities worldwide through modest grants funding high-impact initiatives.
