

# Bridging the Gaps Between Generations – Julia Proscia Quoted in *The Landscape Contractor*

Media Mention  
*The Landscape Contractor*  
February 20, 2018

Julie Proscia was recently quoted in an article that appeared in *The Landscape Contractor*. The article, "Bridging the Gap Between Generations," discusses how employees, employers and clients adapt to new generations in the workplace. Julie comments on the generational workplace stating, "It takes a lot to understand that one generation's approach is not right or wrong."
