

CyberSecurity Misconceptions – ITSPMagazine Interviews Molly Arranz

Media Mention

ITSPMagazine

June 8, 2020

Molly Arranz was recently interviewed by ITSPMagazine as part of their new SMB CyberSecurity Awareness Series in collaboration with the National Cyber Security Alliance (NCSA) CyberSecure My Business.

Molly is featured on episode four of ITSPMagazine's "SMBs' Top Ten CyberSecurity Misconceptions: Outsourcing to a Vendor Washes Your Hands of Liability During a Cyber Incident" podcast, emphasizing the importance of small businesses understanding the contractual agreements they have with their third-party vendors.

Listen to "SMBs' Top Ten CyberSecurity Misconceptions Episode Four" on ITSPMagazine's website [here](#).
