Law360

December 20, 2019

Darren Grady was quoted in *Law360*'s article "3 Ways Attys Are Preparing For Illinois Cannabis Sales," discussing the ways cannabis lawyers are helping employers revise their policies and handbooks, cannabis licenses and growing the cannabis sector. In the article he states, "there's definitely a wide variety of anticipated applicants from larger multistate operators to small business owners looking to start a new venture to get into an exciting and emerging market."
