January 21, 2021

Under any new administration policies change and shift, but experts say that under the Biden administration there will be bigger shifts than usual in employment law, affecting both workers and businesses. The appointment of Marty Walsh, former union president, as the labor secretary confirmed that this administration will be taking its promise to workers seriously.

In the article titled, "How Employment Regulation Might Shift Under the Biden Administration, and What Businesses and Workers Need to Know," on the *Business Insider*, Beverly Alfon weighs in on the Biden administration's push for greater workplace protections and the possible passing of the Protecting the Right to Organize (PRO) Act. "It's anticipated that at least major components of what passed the House last year will reappear with the current Congress."
