

Larry Schechtman Interviewed by *Buildings Smarter Facility Management* on Building Owner Liability

Media Mention

Buildings Smarter Facility Management

July 19, 2018

Larry Schechtman was recently interviewed by *Building Smarter Facility Management* about building owner liability after MGM Resorts International filed a lawsuit claiming they should be released from liability after the mass shooting on October 1, 2017. In the article, "How MGM's Lawsuit Could Impact Building Owners," Larry discusses the SAFETY Act and the possible impact the MGM lawsuit can have for building owners and managers.
