Luke Fedlam was interviewed by ABC 6 on the recent settlement of *The House v. NCAA*. The settlement is "the largest, most significant change in college sports business that we've ever seen." "Luke goes on to say, "one of the things I think is important about this ruling is that it does bring some certainty and a level of certainty to the college sports industry that has really been in a tumultuous kind of time, the wild, wild, west period. This finally brings at least some level of understanding that we're all moving in the same direction."
