

Max Goodman Quoted by *ClubSolutions* on "The Virtual Realm of Risk Management"

ClubSolutions
January 3, 2022

ClubSolutions' recent article focuses on risk management in the new online fitness world and how fitness facilities can be fully protected. In the article, "The Virtual Realm of Risk Management," Max gives his advice on three areas of concern when it comes to virtual classes and online fitness: waivers, music licensing, and data privacy.

The full article can be read on *ClubSolutions* website, [here](#).
