

Mike Hughes Interviewed on Recent Health Care Union Activity

Media Mention

hfma

October 10, 2023

Hfma interviewed Mike Hughes on the recent health care union activity and the consequences it will have on hospitals and health care systems. Mike was specifically quoted on the result of the installation of the pro-labor general counsel at the National Labor Relations Board (NLRB) and how it is not just affecting the health care industry, but all industries.

You can read the full article along with Mike's input on the *hfma* website.
