

Molly A. Arranz Discusses Cybersecurity With *Insight on Business*

Media Mention
Insight on Business
July 31, 2025

An interview with Molly A. Arranz was featured in the *Insight on Business* article "Managing Digital Risk" by Lori Kaye Lodes. In the article, Molly emphasizes the importance of internal employee policies for protecting company data. She states, "It's the people and vendors who can be your weakest link and expose you to significant risk and liability."
