February 14, 2025

Ngosong Fonkem recently appeared on *WISN-TV* Milwaukee evening news for a discussion on recent U.S. tariffs on imports from Canada, China, and Mexico.

In addition to clarifying misunderstandings about what tariffs are and who assumes responsibility for their payment, Ngosong detailed how the recent changes could impact U.S. consumers as increases begin to reflect in the retail prices for items imported from affected regions. Ngosong also discussed the potential impact of Canada's retaliatory tariffs on U.S. imports to Canada.

Tariffs on Canada and Mexico have been paused for 30 days pending ongoing negotiation.
