

# Ngosong Fonkem Quoted By State Bar of Wisconsin's *Inside Track Weekly*

## Media Mention

*Inside Track Weekly*

January 7, 2026

The January 7, 2026 article titled, "Tariffs: Billions in Duties , One Supreme Court Decision," published in the State Bar of Wisconsin's *Inside Track Weekly* examines whether a president may lawfully impose sweeping tariffs under emergency powers intended for foreign threats. The article features extensive commentary from Ngosong Fonkem, who provides insight into how tariffs function and what could occur if the Supreme Court rules against Trump, including the potential for significant refund obligations.

Both the article and Fonkem's analysis explore the separation-of-powers questions that could reshape trade regulation.
