

Real Estate Attorney Brian Randall Representing FPC Live Cited on Bucks Proposed Road

Media Mention

Urban Milwaukee

October 21, 2022

Brian Randall's comments were noted in the *Urban Milwaukee* article, "Eyes on Milwaukee: Bucks Building Street Through Bradley Center Site." Relative to his representation of FPC Live (Frank Productions, LLC) and their development work with the Milwaukee Bucks, Brian's statement addressed elements of the pending \$50 million proposal which would include the addition of a street grid with a private road designed to provide better access to the area for all.

The full article can be read on the *Urban Milwaukee* website.
