January 19, 2023

The *Federal Times* interviewed Suzannah Overholt for their article, "Why a ban on abortion is always included in annual funding bills?". The article focuses on the Hyde amendment; how it works and how it affects federal employees. The Hyde amendment bans the use of federal funds for abortions in all but some exigent circumstances. Suzannah specifically commented on how the Hyde amendment works, stating that, "Hyde is embedded in the appropriations act for agencies, it can be a bargaining chip just like any other element of the budget."
