*Wisconsin Lawyer* recently published an article, "Wisconsin Legal Trends 2023" where twenty-five Wisconsin lawyers and others in the legal profession weighed in on trends in 17 different practice areas. Tom Pienkos was quoted on what they believe the trend in intellectual property law will be in 2023. Tom stated that "2023 is likely to bring several U.S. Supreme Court decisions that will affect multiple areas of intellectual property law within the U.S., including trademarks, copyrights, and patents."
