

2022 Chambers Global Practice Guide on Trade Marks USA: Trends and Developments

Publication

Chambers Global Practice Guide

March 1, 2022

Mike Bendel and Alexis Merbach co-authored the chapter, along with Joe Heino, addressing the latest court decisions involving trademark infringement, registration, and licensing. This guide is published within various areas of law and jurisdictions where a selection of legal experts, chosen by Chambers, elaborates on important legal issues in relation to the current market trends and challenges. Chambers invited Joseph (Joe) Heino to lead authorship of the Trade Marks section. Joe has been ranked eight years in a row as a leader in intellectual property law by Chambers USA.
