

5 Lender Strategies When A Commercial Borrower Defaults

Publication

Law360

December 19, 2025

Keith Mudrick's outlines strategies for commercial lenders in his *Law360* article, "5 Strategies for Lenders When a Commercial Borrower Defaults."

Keith states, "Often, the worst decision a lender can make when facing a default is to make no decision at all. Inaction can give rise to an unintended waiver of rights or create a problematic course of conduct argument, which courts may deem to be the lender's acceptance of an ongoing default."
