"What should an employer do if presented with a fraudulent medical certification, or if an employer suspects an employee is using the time off for non-FMLA reasons?"

In *Hoosier Banker's* November/ December 2021 issue, the article, "FMLA Fraud and Abuse 'Tis the Season," guides employers through how to handle false medical forms and suspected abuse of FMLA, which we often see an increase of requests for leave around the holidays.

The full article can be read on page 32 in the November/December 2021 issue of *Hoosier Banker* digital.
