

China's New Export Control Law: Why US Businesses Should Pay Attention

Publication
WisLaw NOW
November 4, 2020

Ngosong Fonkem's article, "China's New Export Control Law: Why US Businesses Should Pay Attention," published by *WisLaw NOW* focuses on the recently enacted Export Control Law of the People's Republic of China that goes into effect Dec. 1, 2020. In the article, Ngosong also discusses why this regulation should matter to U.S. companies, large or small, with footprints in China.
