

# DEI and Affirmative Action — Compliance Under the Trump Administration

## Publication

*Hoosier Banker*

May/June 2025

In the May/June 2025 issue of *Hoosier Banker*, the article titled, "DEI and Affirmative Action — Compliance Under the Trump Administration," breaks down the Trump Administration's Executive Order 14173 including the lawsuits that have been filed challenging the constitutionality of key provisions of the EO. The article further reviews the Equal Employment Opportunity Commission's response to the EO and recent guidelines on what to know about if you experience DEI-related discrimination at work.

You can read the full article in the May/June 2025 issue of *Hoosier Banker* magazine.
