

Federal Judge Blocks the U.S. Department of Labor's Overtime Exempt Salary Increase Rule on a National Scale

Publication

Illinois State Bar Association's Section on Labor & Employment Law
January 2025

The *Illinois State Bar Association's Section on Labor & Employment Law* published the article, "Federal Judge Blocks the U.S. Department of Labor's Overtime Exempt Salary Increase Rule on a National Scale," by Laurie Meyer and Kevin Kleine which breaks down the United State's Department of Labor's (DOL) rule that raised the minimum salary levels and what the recent Texas Federal Judge's invalidation of it means to employers.

You can read Laurie and Kevin's full article in the January, 2025 *Illinois State Bar Association's Section on Labor & Employment Law*.
