Joey Wright's article, "What Employers Should Know About Navigating Workplace DEI in a Continuously Changing Landscape," has been published in The Indiana Bankers Association's publication, *HoosierBanker*.

In the article, Joey discusses the changing laws and attitudes toward Diversity, Equity, and Inclusion (DEI) policies in U.S. workplaces. She states, "In this ever-evolving area, legal ambiguity has made it very difficult for employers to balance compliance with institutional goals related to inclusivity and equity."
