

Human Rights & U.S. Foreign Policy: A Tough Approach to Trade Issues

Publication
Wisconsin Lawyer
July 16, 2021

Ngosong Fonkem's article, "Human Rights & U.S. Foreign Policy: A Tough Approach to Trade Issues," published in *Wisconsin Lawyer* discusses how the current administration's foreign policy will affect Wisconsin businesses, as products sourced from international suppliers are often used in the manufacturing supply chain for many Wisconsin-made products. Ngosong's article also offers advice on how companies can protect themselves from the inevitable increased trade measures ensuing from this policy shift.
