

“Inconceivable!” The Unintended Consequences Of *Daimler* On Banking And Creditors’ Rights

Publication

University of Illinois Law Review Online
2023

Mike Cortina authored a scholarly paper regarding the unintended consequences of the Supreme Court case of *Daimler AG v. Bauman*, particularly focusing its impact on the area of creditors’ rights in Illinois.

The article, "'Inconceivable!' The Unintended Consequences of *Daimler* on Banking and Creditors' Rights," will be published on the University of Illinois's *Law Review Online* publication. You can read Mike's full article on the Illinois Law Review website [here](#).
