

Indemnity Provisions – Worth a Close Look

Publication
EDM Today Magazine
Summer 2024

Purchase orders and formal contracts often consist of multiple pages of fine print detailing the terms and conditions of an arrangement between a business and its customers. Michael McGrory's article in the Summer 2024 issue of *EDM Today* identifies common trouble spots in such documents, as well as the implications of any included indemnity provisions.

Read Michael's full article in the Summer 2024 issue of *EDM Today*.
