

# Personal Posts, Professional Problems — Private Employers' Rights to Discipline Employee Online Activity

## Publication

*Hoosier Banker*

November/ December 2025

*Hoosier Banker* published Joey Wright's article, "Personal Posts, Professional Problems — Private Employers' Rights to Discipline Employee Online Activity," in their November/ December 2025 issue. Joey's article discusses what private employers in the financial sector should be doing to avoid reputational harm. It provides common policy prohibitions and best practices for financial institutions when it comes to social media.

You can read Joey's full article in *Hoosier Banker's* November/ December 2025 issue here on pages 20-21.
